Subcommittees: General members are invited to attend EPIC events. If you would like to become more involved in EPIC, you are welcome to join one of the following subcommittees. Subcommittees are captained by members of the governing body of EPIC, the EPIC Executive Committee.

Check the box to the left of a subcommittee if you would like to join one:
(not required, but recommended!)

- Education** brainstorms and implements ideas for topics and speakers for the Lunching Outside the Box professional development lunch series.
- Marketing** promotes EPIC events by creating graphics and coming up with the best marketing strategies for each event. This creative committee uses flyers, e-mails and various social media outlets to promote events.
- Membership** recruits potential members. Works on retaining active members and encouraging involvement. Coordinates all aspects of the EPIC New Member Welcome events.
- Events** brainstorms new ideas for EPIC events, then determines the sponsorships needed for those events.
- Community Involvement** provides emerging professionals a platform for giving back to the community. This committee coordinates three service projects each year, in which EPIC members can network with other young professionals, while giving back to the community.
