

# Simple things YOU can do to help keep yourself and others healthy when sharing equipment

## Wash your hands frequently with soap and water

- 1 Wash for at least 20 seconds *especially* after blowing your nose, coughing, or sneezing; going to the bathroom; and before eating or preparing food.
- 2 Avoid touching your eyes, nose, and mouth with unwashed hands.
- 3 Sanitize the equipment between *each* use by using an EPA approved sanitizer

## Sanitizing Construction Tools? Use this solution

- 1/2 c bleach to 1 gallon of water
- Soak for 30 minutes
- Air dry

\*Note: This solution is too high for food surfaces, counter tops and desks. To be used for equipment only.
