Deadline: February 1, 2021

Application Form

Don Day Agribusiness & Bioscience Scholarship

Criteria:

As agriculture and bioscience industries continue to grow in Missouri, the Fair Missouri Foundation finds that promoting agriculture and biosciences and all of the associated industries is essential for the continued health of business and the economy in Boone County.

To be considered for the Don Day Agribusiness & Bioscience \$1,000 Scholarship, please complete the attached application by February 1, 2021. This application must be submitted in order to be considered. Please note that a portion of the application needs to be completed and signed by your high school principal or counselor.

Applicants must be a graduating senior of a Boone County, MO public or private high school and plan to enter into an agricultural or bioscience related field. They must also plan to attend a higher-education institution, college or university either located in Boone County or that is a member of the Columbia Chamber of Commerce – Central Methodist University, Columbia College, Moberly Area Community College, Stephens College or the University of Missouri. Any application submissions that are incomplete will not be accepted.

The scholarship recipient will be recognized at the 2021 Columbia Chamber of Commerce Agricultural Recognition Banquet. If you are selected, we hope you will be able to join us and celebrate the 62nd Anniversary of this event. Scholarship must be used in the 2021-2022 academic year.
